## About Us

IMO Standard Shipping provides comprehensive maritime support services to cargo owners, ship operators, and charterers working in Nigerian ports and waters. Based in **Apapa, Lagos** – walking distance from the port – we offer 24/7 physical presence and hands-on support.

We bridge the gap between international vessel operators and local port requirements. We are not a broker. We are your local operations team.

# Why Choose IMO Standard Shipping

## **Based in Apapa, Lagos**

5 minutes from Apapa Port gates. Warehouse ready for provisions and spare parts. Same-day delivery to vessels at anchorage or berth.

## **Government Agency Liaison**

We work daily with NIMASA, Nigerian Navy, Port Health, Immigration, and Customs. We handle every filing and clearance in person.

## **24/7 Availability**

Crew changes at Murtala Muhammed International Airport – any hour, any day. Night delivery of provisions to anchorage. WhatsApp response within 15 minutes.

## **Ports We Serve**

Apapa • Tin Can Island • Kirikiri • Port Harcourt (Onne) • Calabar • Warri • Any anchorage in Nigerian waters
